

NO SHOW POLICY

Thank you for trusting your medical care to Venus OB-GYN. When you schedule an appointment with us, we set aside enough time to provide you with the highest quality care. If you need to cancel or reschedule an appointment, please contact our office as soon as possible, and no later than 24 hours prior to your scheduled appointment.

If you do not give us 24 hour notice, or if you do not show up for a scheduled appointment, you may be charged a \$25 fee for a missed office visit or \$50 for a missed procedure or testing appointment.

We realize that some things happen that are out of our control, so you will not be charged for your first missed appointment. However, you will be charged for any other missed appointments.

If you miss 3 or more appointments without prior notice, we may ask you to find another primary care provider.

If you miss 2 New patient appointments, we won't be able to schedule you again.
